

## Keeneland Race Course

10/29/2011

---

### Race 1

---

Contender Analysis: #8 ARBORIA had a very poor outing last out. May return to better form today and make this one a very likely contender this out. #11 DANCING COMPASS has been on a bit of a layoff after a fair showing time before last. Is not all that likely to come back strong today and appears to be a weak contender. #10 SINGLES BAR May be up to the task at hand and is a moderate possibility for being a factor in this first time out effort.

---

### Race 2

---

Contender Analysis: #11 THUNDER AND BELLE regressed in last after a fair effort the time before last. A bit likely to return to better form today and appears to have a good shot at being close up today. #4 CHROME CRUISER trailed the field in last in a come back effort from a break in the action. My show some improvement this time around and could be a factor in this one. #2 DA NELLA looked very much off form in last which might have been a fluke but is likely to show us some more today. Has a moderate shot at being in contention.

---

### Race 3

---

Contender Analysis: #5 CHICALELEE made a consistent effort in last race and in general has been consistent in recent efforts. May be ready to pop a good one off today? Is likely to be on board. #4 DEPUTY DARLING may be sharp this out after a short break in the action and a weak performance last out. A fair possibility today. #3 SUZ SLEW put out a lack luster effort in last. Appears like a moderate possibility with a fair chance of being in-the-money.

---

### Race 4

---

Contender Analysis: #1 COMPROMISIN I'MNOT has been training well and may be in contender on this maiden time around. Has been training well enough and appears to be a probable contender. Could be on board today. #4 GOLDRUSH GIRL looks somewhat likely to improve again today after putting in two career races. A fair possibility today. #5 HARLAN SHOWGIRL had a very good second outing and may be able to show good form again today. A moderate possibility.

---

### Race 5

---

Contender Analysis: #4 SILENT JOY ran poorly last out but there is some indication that this one is ready to put in an improved effort this time out. A probable contender. #9 BLACK TULIP has not raced recently but has a good chance of coming back in competitive condition. A moderate possibility. #10 I'AM TOORIFIC put in a useful effort last out posting improved figures. May be able to repeat last effort this out and be a contender today.

# Keeneland Race Course

---

## Race 6

---

Contender Analysis: #4 THREE ALLIES raced well first time out and may be up to it again today. Appears ready to put in a good effort this out. #12 I LIKE IT has not be a the top of the game as of late and looks likely to improve some today. A moderate possibility. #8 CORLEONE appears to have been racing well enough lately and could be up to being in contention today. Is a moderate possibility with some likelihood at being in the mix.

---

## Race 7

---

Contender Analysis: #11 WINSLOW HOMER looked a bit off last time around but looks ready to look on today. Has a good shot at being on board in today's action. #6 TAZZ has put out two good efforts in a row. Could make a similar effort today which would make this one a factor today. A fair possibility this out. #5 TIMELESS FASHION raced poorly in last and then took a short break. Should return to previous form and has a fair chance of being a contender today.

---

## Race 8

---

Contender Analysis: #11 JOINEM coming back from vacation and may be ready to run today. A very probable contender this out. #7 DEAL MAKING should be competitive with this kind. Has been racing evenly and appears to be a probable contender today. #6 ASPHALT put in a throw out race in last and should return to more normal form today. A fair chance of being a competitor this out.

---

## Race 9

---

Contender Analysis: #12 MISSION IMPAZIBLE has had a break from the action and may be ready for some action today. A good possibility this time around. #8 WISE DAN has looked sharp in the last two and should be regarded as a fairly likely contender with an in-the-money likelihood today. #11 WORKIN FOR HOPS raced well in last showing improvement over the time before last and may be able to better that effort today. A somewhat likely contender with improvement.

---

## Race 10

---

Contender Analysis: #6 PIQUANT appears to be a very strong possibility today after coming back from of a short break. Should be among the leaders and is very likely to be on board today. #11 TYCOON ran evenly in last after a break in the action time before last which may be a signal for improvement today. Is somewhat probable contender today. #3 VOODAT has been laid off and might be ready to make a mild bid today. May be in contention.
